SOURCE Within CIG

On April 21, 1947 there was intercepted for the first, and so far only, time a clandestine radio station broadcasting in the Croat language. The broadcast was intercepted in Cairo and was on 6550 kcs., running from 11:00 a.m. to 11:20 a.m. The closing announcement was:

"This is radio station Slobodna Seljaka Hrvatske (Free Peasant Croatia). Listen to our broadcasts and spread our news. We will be on the air again tomorrow at 1700." The receiver signal was powerful but reception was poor, due to poor modulation.
